MUNDUS VINI is one of the most important and most highly regarded wine awards in the world. During its Spring Tasting in February and its Summer Tasting in August, more than 12.000 wines are tasted each year by the international MUNDUS VINI expert jury. The Grand International Wine Award was initiated in the year 2000 by Meiningen Verlag, which is Germany's oldest specialist publishing house in the beverage sector with leading magazines such as Weinwirtschaft, Meiningers Sommelier, Meiningers Weinwelt and Meiningen's Wine Business International.
